

# Can you be a Butterfly

Imagine yourself a butterfly

soaring on the breeze.

Can you feel the wind

blowing through your hair?

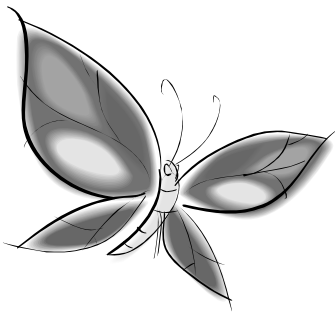

Can you feel the sun on your skin?

What color are you?

What shape, what size?

Ah...

Can you be a butterfly?

Now

Imagine yourself a bumblebee

buzzing on the breeze.

Can you see the colors

of the earth?

Can you see the buds in bloom?

What color are you?

What shape, what size?

Can you be a bumblebee?

Buzz..

Can you be a bumblebee?

Imagination is the key.

Spread your arms and fly with me.

Up away here we go.

To the skies with clouds below.

Now

Imagine yourself a hummingbird

flying oh so fast..

Can you hear the hum of

your speeding wings?

Can you hear the zip of your lips?

What color are you?

What shape, what size?

Can you be a hummingbird?

Hum..

Can you be a hummingbird?

Fly so free. Fly so free. Fly so free.

Ah...
