

How high can you fly?

How high can you fly?

Can you touch the sky?

Can you reach, reach, reach

so way up high?

Can you be as tall as

a sycamore tree?

How high?

How high?

Can you fly?

How low?

Can you go?

Can you reach down low?

Can you reach, reach, reach?

Can you touch, touch, touch?

Can you tickle your teeny tiny toes?

Song
Lyrics!

Can you swing your arms

'til they reach the ground?

How low?

How low?

Can you go?

How still?

Can you be

like an old oak tree?

Can you stand, stand, stand

so silently.

How High?
