Song Lyrics

Thank You Song

Sometimes saying thank you
is simply quite enough.
Like when your mother hugs
you
with a simple, tender touch.

Smiling at a friend,
who's helped you
lent a hand.

Sometimes saying thank you
is simply quite enough.

So let's say Thank you
Thank you.
Let's say Thank you
Thank you.
Let's say Thank you
Thank you
as often as we can.

We can say Thank you
with many different words.
Gracias and Merci
Danka and Bedankt.

Arigato and Obrigado
Spaseebo and Che Che*,
(*Xie, Xie*)
Kamsa-ham-nee-da.
So let's say Thank you
Thank you.
Let's say Thank you
Thank you
Let's say Thank you
Thank you
as often as we can.

So let's say Thank you
Thank you.
Let's say Thank you
Thank you
Let's say Thank you
Thank you

as often as we can.
as often as we can.
as often as we can
