

Music is Poetry to Me

Music is poetry to me.

Line after line a melody.

Music is poetry to me.

Classical forms are true

symphony.

Jazz sounds swing sweet

harmony.

Blues tunes speak of being

lonely.

Music is poetry to me.

Music is poetry to me.

Line after line a melody.

Music is poetry to me.

What sound? What song?

What does music mean to you?

Is it soft or loud?

What does music mean to you?

Country stars play the

Grand Ole Opry.

Rock stars play the

guitar mostly.

Hip-Hop puts lyrics to beat.

Music is poetry to me.

Music is poetry to me.

Line after line a melody.

Music is poetry to me.

Music is poetry to me.
