

Namaste Numbers

Namaste Numbers

just you and me.

Namaste Numbers

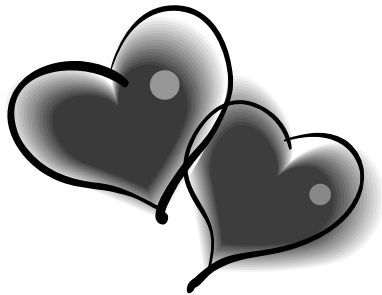

one, two, three.

Breathe in through your nose

and out through your mouth.

Namaste numbers

count with me now.

Namaste. Namaste. Namaste. One.

Namaste. Namaste. Namaste. Two.

Namaste. Namaste. Namaste. Three.

Namaste Numbers, you and me.

Namaste Numbers

just you and me.

Namaste Numbers

one, two, three.

Breathe in through your nose

and out through your mouth.

Namaste numbers

count with me now.

One, two, three.

One, two, three.

One two, three.
