## A Love Song

I am loved. I am loved.  
I am loved. I am loved.  
I am loved. I am loved.  
I am love.

You are loved. You are loved.  
You are loved. You are loved.  
You are loved. You are loved.  
You are love.

We are loved. We are loved.  
We are loved. We are loved.  
We are loved. We are loved.  
We are love.

I am loved. I am loved.  
I am loved. I am loved.  
I am loved. I am loved.  
I am love.

I am loved. I am loved.  
I am loved. I am loved.  
I am love.

You are loved. You are loved.  
You are loved. You are loved.  
You are loved. You are loved.  
You are love.

We are loved. We are loved.  
We are loved. We are loved.  
We are loved. We are loved.  
We are love.

I am loved. I am loved.  
I am loved. I am loved.  
I am loved. I am loved.  
I am love.
