

The Melodies in Motion™

Song Lyrics

How High Can You Fly

How High Can You Fly

How high can you fly?
Can you touch the sky?
Can you reach, reach, reach
so way up high?

Can you be as tall as
a sycamore tree?

How high?
How high?
Can you fly?

How low?
Can you go?

Can you reach down low?
Can you reach, reach, reach?
Can you touch, touch, touch?

Can you tickle your
teeny tiny toes?

Can you swing your arms
‘til they reach the ground?
How low?
How low?
Can you go?

How still?
Can you be
like an old oak tree?

Can you stand, stand,
stand so silently.

How High?
